BUSINESSMEN FIND INSANITARY **CONDITIONS NOT OVER ESTIMATED**

Backing up in every way the atti- "Here the co tude of the Board of Health, the Cham- most insanitary. ber of Commerce's health committee, through its chairman, George W.

Smith Report. tary of the Territory E. A. Mott-Smith, is also used for domestic purposes and Dr. J. S. B. Fratt, president of the will be referred to later. oard of Health: Senator A. F. Judd, tricts of the city and now beg to report as follows:

"The first stop was made at Walka-This thoroughfare is passable for vehicles for about two hundred feet mauka from School street and ends abruptly at the Waikabalulu Falls, in the east branch of the Nuuanu stream. This place is the future site of a scenic park on land donated by Queen Liliuokalani. At the present time the ground is occupied by a num ber of wretched houses which the Board of Health has had to order vacated owing to an epidemic of typhoid fever which prevailed among the former occupants of the houses, all of whom were using a common cesspool After every rain this cesspool, owing to the nature of the ground, would overflow and drain into the Nuuanu stream below the falls. Although emptied twice a month by the Board of Health, it was found impossible to keep the property in a sanitary coning to the lay of the land and the distance from tine of sewer.

Plans of Board. can be properly drained and connect- "In conclusion ed with the sewer system which will strongly urge that the hearty support

The water from this stream the adventures of a rug-ged youth.

"It is the intention of the Board of Dr. I. N. Shepherd, Sanitary Inspector Health to recommend that Frog lane hind her and puts on her real namecharlock and Mr. Walter G. Smith of be made a street, leading from School Alice French. The name of French has the Star, visited certain insanitary dis- to Bates or Judd street; that the tare land be drained, and that the sewer system be extended through the territory thus opened up. This will become ed one of the large plow works of the valuable land and a desirable residence section of the city.

"The party next proceeded to a lane leading Ewa from Asylum road and directly opposite the present end of Vineyard street. This lane, like the others, is very narrow and leads abruptly to a depression where it would be impossible to establish sewer connections, although much needed. Here, as well as in another locality, the board suggests a central sewage reservoir to be emptied by a permanent pumping plant into the regular sewer system. The board also proposes that Vineyard street be extended through all of the property to eventually connect with Houghtailing road in Kalibi. famille

dition or to prevent seepage into the "Your committee are convinced that stream, the waters of which are used the conditions existing at the places for drinking and domestic purposes by visited are intolerable and ought not to a large population living below School continue. They constitute a standing menace not only to the health of those age connections with this property ow- now living in the places described, but also to the community as a whole.

"The plans proposed by the Board of Health are excellent and, if carried "It is the recommendation of the out, will practically eliminate disease Board of Health that Waikahalulu breeding foci, drain land that will be lane be widened, straightened and ex-come of high value and remove from ended through to Bates street, thus our midst a condition that ought not poening up good property, all of which to obtain in any civilized community.

be extended along the line of the pro- of the Chamber of Commerce be given to the Board of Health, not only for "From this point the party went to the immediate work in hand, but also Frog lane, a narrow passage leading in the proposed legislation looking to thought and action. As editor of the manka from School street to what was the opening of streets and drainage of New York World he has, in the past formerly known as Detention Camp lands, to be laid before the Legislature No. 3, in use during the first plague either in special session or at the regu-

Dear to the Hearts of the Women. DR. T. FELIX GOURAUD'S

Oriental Cream OR MAGICAL BEAUTIFIER An Indispensable and Necessary Article for Particular Women who Desire to Retain a

Youlbful Appearance. Every woman owes it to herself and loved ones to retain the charm of youth nature may be stowed upon her. For overhalf a century this article has been used by actresses, singers and women of fashion. It renders the skin like the softness of velvet leaving it clear and pearly white and is highly desirable when preparing for daily or evening attire. As it is a liquid and non-greasy preparation, it remains unnoticed. When attending dances, balls or other entertainments, it prevents a greasy appearance of the complexion caused by the skin becoming bested.

Gouraud's Oriental Cream cures skin diseases and relieves Sunburn. Removes Tan. Plumples Blackheads. Moth Patches, Rash. Freckles and Vulgar Redness, which every woman desires. by Druggists and Fancy Goods Dealers. Ferd. T. Hopkins, Prop., 37 Great Jones Street, New York.
